Home Study Radiology CE

Achieving Quality Imaging has provided high quality, ASRT-approved home-study radiology continuing education courses since 1995. Obtain your CE credits when you complete any of our online or paper exams based on many of the popular textbooks we offer. This method is highly convenient as it is truly self-study; no clicking through a fully narrated online course. Simply study your textbook, complete the exam, print your certificate and you're done. Order one book with multiple exams to share with colleagues. 24 CE hours must be earned every two years for all Registered Technologists and Registered Radiologist Assistants.

Achieving Quality Imaging is proud to offer a complete range of Home Study Radiology courses. Our courses cover wide areas in Radiology and Imaging Sciences namely: MRI, CT Scan, X-Ray, (Mammography (With emphasis on Digital Mammography), Breast Imaging, Ultrasound.

Programs:

- Accident & Emergency Radiology & Comprehensive Radiologic Pathology **24 Hrs - \$179.00 Tuition**
- Anatomy in Sectional Images I & II **14 Hrs - \$179.00 Tuition**
- Medical Techniques in Imaging & Radiography for Ltd. Prac. I Package **25 Hrs - \$185.00 Tuition**
- Radiographic Pathology for Technologists & Anatomy Coloring Workbook **25 Hrs - \$99.00 Tuition**
- Radiography for Limited Practice 1 and 2 **29 Hrs - \$99.00 Tuition**

Course	Hours / Tuition
Accident & Emergency Radiology: A Survival Guide	8.0 / \$89.00
Anatomy Coloring Workbook	15.0 / \$85.00
Anatomy In Sectional Images II	7.0 / \$115.00
Breast Imaging	10.0 / \$115.00
Comprehensive Radiologic Pathology	16.0 / \$110.00

Course	Hours / Tuition
Digital and Radiographic Imaging	7.0 / \$99.00
Digital Mammography	7.0 / \$145.00
DIRECT - Breast Cancer Imaging: Local Perspectives & Problematic Types	29.5 A Credits / \$209.00
DIRECT - Breast Cancer Imaging: Metastases & Considerations	19.0 A Credits / \$129.00
Essentials in Radiographic Imaging and Exposure	11.0 / \$99.00
Fundamentals of Chest Radiology	15.0 / \$119.00
INDIRECT - Musculoskeletal MRI	31.0 A Credits / \$229.00
Mammographic Imaging in Radiology	12.0 / \$139.00
Medical Techniques in Imaging	14.0 / \$129.00
MRI Techniques	12.0 / \$115.00
Multi-Modality Radiology Essentials	24.5 / \$89.00
Multi-Modality Radiology Essentials (FL only)	24.5 / \$89.00
Patient Care In Radiography	10.0 / \$99.00
Physiology Coloring Workbook	21.0 / \$70.00
Quality Management in Imaging	17.0 / \$89.00
Quality Management in Imaging	7.0 / \$115.00
Radiation Protection in Medical Radiography	15.0 / \$99.00
Radiographic Pathology for Technologists	10.0 / \$99.00
Radiography For Limited Practice I	11.0 / \$99.00
Radiography for Limited Practice II	18.0 / \$125.00
Radiologic Imaging Sciences	14.0 / \$115.00
